

The Gothenburg–Borås Project

We would like to have a dialogue with you concerning the procurement of Mölnlycke–Bollebygd

Trafikverket, the Swedish Transport Administration, plans to build a new approximately 60 km-long high-speed, double-track railway between Gothenburg and Borås. The new railway will create a new rail connection to Göteborg Landvetter Airport, Sweden's second largest airport. Gothenburg–Borås is one of the links in a new high-speed network between Stockholm and Gothenburg/Malmö.

Project budget is approximately SEK 33 billions (€ 3,5 billions) and construction is planned to start in 2020.

The Gothenburg–Borås Project is a major and complex project which will place high demands on us as client as well as on our future contractors. In order to create pre-conditions for a successful procurement form and later on a successful construction work, we would like to invite you to discuss the procurement of the stretch of line Mölnlycke–Bollebygd which includes a station under Göteborg Landvetter Airport. You are invited to a individual meeting with Roland Mårtensson, Head of Procurement, and Jan Johansson, Project Manager of Mölnlycke–Bollebygd. Our technical managers will also attend to the meeting.

Talk to us about...

Among the questions we would like to discuss during the meeting are the following:

- Which are your preferences in terms of contract packaging?
- What contract form do you think are the most beneficial for all parties?
- What reimbursement form suit you the best?
- How should we conform to bonuses and penalties?
- How do we take social responsibility for more sustainable procurement?
- Other thoughts you want to share with us concerning these coming procurements?

Book a meeting with us

Our ambition is to hold the meeting some time between the 21 of March and the 14 of April 2016. The meeting will take approximately 1.5 hour.

Time: Our ambition is to hold the meeting during the 21 of March and the 14 of April 2016. A meeting will take approximately 1.5 hour.

Location: Kruthusgatan 17, Gothenburg, Sweden.

Registration: Please contact Roland Mårtensson, Head of Procurement, by e-mail roland.martensson@trafikverket.se in order to register your interest and book a meeting.

More information: More information about the project can be found at www.trafikverket.se/gothenburg-boras

The dialogue does not form part of future procurements. Participation will have no influence on your chance to submit tenders.

Welcome!

Roland Mårtensson,
Head of Procurement
